

Our

30 Minute ER PROMISE

In Atlantic General Hospital's Emergency Department, we understand that your time is important and that your need for care is urgent. We're putting the urgency back in emergency by extending to you our Emergency Room's 30-Minute Promise.

We pride ourselves on timely, around-the-clock emergency medical care here at Atlantic General and promise that once you enter our doors, you will be placed in your exam bed or will begin to receive treatment within 30 minutes of arrival, or you will receive a free gift.

Examples of treatment might include:

- lab testing
- x-ray
- administration of medication

Thank you for putting your trust in us.

Atlantic General Hospital, where it all comes back to you.
